

FLORIDA DEPARTMENT OF HEALTH

Florida-Live-Birth-Application-for-Birth-Certificate

DH 511, 04/2016, Rule 64V-1.006, Florida Administrative Code (Obsoletes Previous Editions)

SUMMARY

This document is the Florida Certificate of Live Birth form (DH 511, 04/2016), an administrative record prescribed by Florida Administrative Code Rule 64V-1.006 and authorized by Florida Statutes § 382.0135. It is used by the Florida Department of Health to collect vital statistics, parentage, medical history, and demographic data for a live birth, including optional paternity acknowledgment and Social Security number collection. The form is not a judicial opinion but a standard state vital-records instrument.
