FACTUAL BACKGROUND

The appeals arose from a common trial-court cause involving a supersedeas bond contest and turnover orders. The trial court had entered an October 6, 2025 order concerning the plaintiffs' objection to a net-worth declaration and motion for sanctions. The appellate court directed that the trial court consider events occurring after that order and make additional findings.

PROCEDURAL HISTORY

The appeals arose from proceedings in the 261st and 459th District Courts of Travis County in cause number D-1-GN-18-001835. The court abated Cause No. 03-23-00209-CV and remanded it for the trial court to take evidence and make findings regarding the supersedeas bond contest. The court maintained an existing stay of the turnover order in Cause No. 03-25-00617-CV and temporarily stayed the turnover order in Cause No. 03-25-00906-CV pending further order.

DISPOSITION
