

ARKANSAS

Duke v. State

354 Ark. 619 · Decided October 30, 2003

SUMMARY

This document is a dissenting opinion addressing whether a defendant's release on parole renders an ineffective-assistance-of-counsel claim under Arkansas Rule of Criminal Procedure 37 moot. The dissent argues that denying post-conviction review based on the defendant's custody status improperly limits the Sixth Amendment right to effective assistance of counsel.
